# DATA TRANSFER SSM2018

DATA TRANSFER SSM 2018 is a set of different solutions that let to download the transactions from the dispensers to the SELF SERVICE MANAGEMENT 2018 software. The great variety of the offer is based on the technology required.

## Manual download

The easiest way to download the informations is through the Manager key 2018, it is enough to touch the dispenser with the key to transfer all the transactions and download them on the software.

## Local network

Use the local network Lan/Wi-Fi to download the dispenser to your pc. By choosing between the PWLAN or PW Wi-Fi it is possible to set up a connection that let you receive all the transactions in real time.

## Mobile network

Thanks to the new PW MOBILE 4G 2018 is now possible to install all the dispensers everywhere in the world with just the need of a mobile network coverage, avoiding all the local network configurations. The equipment is provided with a worldwide SIM card which makes the PWMOBILE 4G 2018 ready to use.
